

Are you the parent/caregiver of a child with special needs?

Do you feel frustrated or unsure where to turn?

Do you know about all the services available to you?

The Special Kids Network, in partnership with the Pennsylvania Elks Home Service Program, can answer your questions.

We can provide the following:

- Referrals to appropriate agencies;
- Advocacy for appropriate and inclusive services;
- Help with inclusion in the community;
- Liaison between individuals, families, and health care providers;
- Advocacy for individual's rights; and
- Much more.
