

History

The Transition Coordinating Council of Allegheny County and the City of Pittsburgh is a collaborative effort between educators, parents, and agencies serving the 43 school districts and private schools in Allegheny County. The Transition Coordinating Council of Allegheny County and the City of Pittsburgh was formed in April 1994 in an effort to promote effective transition for the students with disabilities from school to adult life and to identify the best ways to meet the needs of these individuals in their local communities.

The Transition Coordinating Council of Allegheny County & the City of Pittsburgh

“Coming together is a beginning, staying together is progress, and working together is success.”

-Henry Ford

Mission Statement

The mission of the Transition Coordinating Council of Allegheny County/City of Pittsburgh is to promote coordination and collaboration among the Intermediate Units, 43 School Districts, Approved Private Schools, Career and Technical Schools, OVR, BVS, OBH, D&A, OID, along with other agencies and families to ensure that every student with a disability has a carefully developed individualized transition plan and coordinated set of activities and experiences which prepare he/she to work, live and play as full participating citizens of their community.

Who We Are

Educators, OVR, Office of Intellectual Disability, Office of Behavioral Health, Employment Providers, Post-secondary Education Providers, Parents, and Other Agency Representatives

TCCAC Goals

- Establish local coordination of transition services and resources, offering meaningful meeting sessions
- Provide a local linkage with the State Transition Coordinating Council
- Identify local community issues and suggest possible resolutions
- Enhance post-secondary partnerships & planning processes for districts & families
- Increase interagency coordination, community partnerships, & access to resources & collaborative communication among districts, families and communities
- Develop stronger intersections between Mental Health, OVR, school districts, and Post-secondary ed. programs

Outcomes

Post-secondary Education/Training
Customized Supported Employment
Independent Community Living
Residential
Community Participation
Recreation Participation

TCCAC Website

The TCCAC Website was introduced in 2015. This site allows TCCAC meeting attendees access to meeting materials and resources.
