CONTACT Kimberly Wood (Program Director)

OFFICE HOURS Monday - Friday 8:00 a.m. - 5:00 p.m.

SERVICES

Able-Services is a day program offering pre-vocational training services for adults with special needs, ages 18-59. Located at the former site of Shiloh Nurseries and Brown's Orchards in Emigsville, we are licensed as an Adult Training Facility by the PA Department of Human Services and our program provides training in a variety of skill areas. Continuing in the fine tradition of Leg Up Farm, Able-Services provides a culture of caring and welcoming to our program participants. They will explore skill areas such as pre-vocational training, activities of daily living, social skills, communication, leisure/fitness/recreation, nutrition and health, community participation and self-advocacy. Above all, they should be interested in being active and having fun!

ELIGIBILITY

Waiver funded individuals who have exited the school system and meet eligibility requirements

ADDRESS 2550 Kingston Rd, Suite 225, York, PA 17402

E-MAIL jon.eccleston@ahedd.org

CONTACT Jon Eccleston, Area Manager

OFFICE HOURS Monday-Friday 8:30 a.m. - 4:30 p.m.

SERVICES

Services include pre-employment related skills training, e.g., resume writing, application completion, interviewing coordination, and other job development related services. Also included is on-site training (job coaching) and follow-up support. As well, AHEDD provides support with youth in the classroom by providing guidance on career exploration and/or community integration.

ELIGIBILITY

A documented disability and interest in AHEDD's services.

AGE RANGE

14 years and older

FEE

Third party reimbursement (transition services primarily funded via the school district). Adult services are primarily funded through OVR, York/Adams MH/IDD, Social Security Administration, and the SS Ticket to Work Program through Social Security.

SERVICES

The Amazing Kids Club offers an on-site therapeutic program for children and adolescents ages 2 to 21 years with an Autism Spectrum Disorder. Our services can be utilized as a step down from traditional one-to-one BHRS services, combined with other services, or used independent of other services. An individualized treatment plan will be developed with the family and our Master’s Level Clinical Coordinators.

Daily therapeutic activities are planned and treatment is implemented through the use of our multi-functional curriculum, which is designed to meet each age group’s need. We use a combination of techniques: ABA (Applied Behavior Analysis), VB (Verbal Behavior), Relational Therapy, Cognitive-Behavioral Therapy, PATHS (Promoting Alternate Thinking Strategies), Alert Program, Psycho-educational techniques, etc. In addition, sensory, gross motor, fine motor, music, drama, art, life and safety skill activities are included in the therapeutic curriculum.

ELIGIBILITY

After an assessment process, the child will be able to attend if deemed medically necessary in their psychological evaluation.

AGE RANGE

2 to 21 years

FEE

Amazing Kids Club groups are funded by direct MA and CCBH.

SERVICES

The mission of Autism York is to provide support to individuals on the autism spectrum, their parents, families and friends. Our group exists for the sole purpose of providing support in a safe and friendly environment. It is the intention of Autism York as a group to promote understanding and respect of all families and the choices they make regarding therapies and interventions. Through this group we will offer opportunities for families and individuals on the autism spectrum to learn, grow, and develop relationships that help guide one another through this journey.

Nothing we do is intended to provide therapeutic benefit. Autism York strongly encourages families and individuals to utilize and rely on the advice of professional service providers as indicated by their individual situations. The information and resources we provide are not intended to be a substitute for professional advice.

FEE

Autism York sponsors events and programs at low or no cost to families and individuals living with Autism Spectrum Disorder in our community. Monthly meetings, educational seminars, social outings, a lending library, a resource directory, community awareness programs, family education sponsorships, and support for families and individuals are all made possible through tax deductible donations to Autism York.

Bell at the Village
(Adult Training Facility)

ADDRESS 2 Village Drive
New Oxford, PA 17350

TELEPHONE (717) 624-3000

CONTACT Patty Reese - Program Coordinator

OFFICE HOURS Monday - Friday 8:00 a.m. - 3:30 p.m.

SERVICES

Located on the campus of the Brethren Home in New Oxford, our licensed Adult Training Facility offers a structured Day Program of diverse individualized activities designed to enhance the quality of socialization and daily living skills of intellectually disabled adults from various living situations. We work on social skills, daily living skills, personal hygiene skills, individual goals, communication and signing goals, gross motor goals, exercising, guest visits, and craft activities.

Through a wide choice of physical, musical, and social activities, the Day Program supports individuals in increasing their independent living skills. Individuals will experience leisure events through trips, movies and shopping on a regular basis.

ELIGIBILITY

Participation requires a primary diagnosis of intellectual disability

WEBSITE www.ychsd.org

TELEPHONE (717) 771-9347

E-MAIL DRFranz@YorkCountyPA.gov

CONTACT Del Franz - CASSP Coordinator

OFFICE HOURS Monday - Friday 8:00 a.m. - 4:30 p.m.

SERVICES

CASSP provides service coordination between families, agencies, providers, school districts, and intermediate units. Contact CASSP to request help facilitating discussions between agencies that do not appear to be communicating well together. A meeting is pulled together of all agencies (MH/IDD, CYF, Schools, and with anyone involved) to determine what services need to be in place and who is responsible for implementing those services. The CASSP coordinator facilitates the meeting to ensure all needs are met. Treatment goals will be developed at the meeting that best meet the special needs of the child and family. Follow up meetings are utilized as well.

ELIGIBILITY REQUIREMENTS

Any child from 0-21 years receiving multiple services, or who is unable to access services, is eligible for assistance from CASSP. Children who are experiencing Mental Health or Behavioral problems in need of treatment planning and service system coordination.

FEE

No cost - funded by various government agencies

SERVICES

Disability Rights Network of Pennsylvania (DRN) is a statewide, non-profit corporation designated as the federally-mandated organization to advance and protect the civil rights of adults and children with disabilities. DRN works with people with disabilities and their families to ensure their rights to live in their communities with the services they need to receive a full and inclusive education, to live free of discrimination, abuse and neglect, and to have control and self-determination over their services. If you have a disability or if you have a family member with a disability and you have questions or concerns about disability-related issues, please contact us. DRN has offices in Harrisburg, Philadelphia and Pittsburgh but our intake department is reachable through the phone numbers and email shown above.

SERVICES

Our consultants work with Pennsylvania's Intermediate Units who have received Inclusion Grants from the Office of Child Development and Early Learning to support preschools to promote inclusive practices and to increase capacity with participating preschools. We support the parents, students, and staff so that we can promote long term inclusion.

Include Me Preschool consultants shall be providing:

More intensive one-on-one and group support to families and preschool programs regarding increasing inclusive practices for children with significant disabilities and assisting and educating parents with regards to inclusive practices.

Support to identified Infant/Toddler Early Intervention programs and families who have children with complex needs in the Infant/Toddler population through the Results Grants.

A partnership with Early Intervention Technical Assistance consultants regarding statewide initiatives including but not limited to Parents as Partners in Professional Development (P3D), Parents in Policy Making (C2P2) and other initiatives.

Representatives to attend family and outreach events in an effort to reach other families to provide them with information/resources re: inclusion.

EDUCATIONAL PROGRAMS

Preparing students for life after school in the Hanover/Adams County Region. Work experience combined with Functional Academic Skills.

Gettysburg High School Transition Program: The perfect blend of a traditional high school setting and community based instruction. Students spend two full days at Gettysburg High School and three days traveling to the Hanover area to participate in community based instruction.

Gettysburg Outlet Work-Based Transition Program: An educational opportunity located in a community setting. A good option for students who are ready for a change from a school-based experience, need to gain independent skills to pursue other programs or want to increase their job skills before graduating. ****NEW**** the HOST rooms - Hands on Skills Training in a simulated banquet, hotel and retail setting.

New Visions Transition Apartment Program: Located in an apartment setting, students practice skills to learn to live independently or become a contributing member of any living arrangement (with family or in a group living situation). They participate in a variety of work experiences

New Oxford Training Site Paid Work Experience Transition Program: The program is designed for students who are in their final years before graduation. The students participate in a paid work setting within the main offices of the Lincoln Intermediate Unit. They are also encouraged to pursue their own interests and independent work experiences can be arranged. It is recommended that students be at least 18 years of age before attending.

OFFICE HOURS Monday-Friday 8:00 a.m. – 4:00 p.m.

EDUCATIONAL PROGRAMS

Preparing students for life after school in the Hanover/Adams County Region. Work experiences combined with Functional Academic Skills.

Senior-to-Senior Program located at Cross Keys Village - The Brethren Home Community New Oxford:

This program is designed for students who are ready to make a transition from a traditional academic setting to a work-based setting. Students receive classroom instruction for part of their day that focuses on functional academics and pre-vocational skills which emphasize competencies necessary for various employment opportunities. For the remainder of the school day, the students participate in non-paid work experience training throughout the Cross Keys Village campus. Some potential work experience placements may include groundskeeping, housekeeping, dining services, laundry services, nursing care, child care, and purchasing/supply distribution.

Project Search - York and Gettysburg Locations:

Project Search is a community based work experience program for students with disabilities. The program is an intensive, one year, high school transition program located within the WellSpan Health System (Gettysburg Hospital and York Hospital). Students must be 18+ years old and have completed all requirements for graduation. The program is a collaboration among the following organizations: WellSpan Health, Lincoln Intermediate Unit #12, Office of Vocational Rehabilitation (OVR) and York-Adams County MH/IDD. Project Search provides real-life work experiences combined with training in independent living skills to help make successful transitions from school to adult life. Students participate in two or three unpaid internships throughout the school year to experience total workplace immersion. Job coaches and department staff provide support for students; job coaches fade as students gain independence. Each student has a goal of becoming competitively employed by learning transferable job skills.

WEBSITE www.iu12.org

OFFICE HOURS Monday-Friday 8:00 a.m. – 4:00 p.m.

EDUCATIONAL PROGRAMS

Early Intervention (EI) consists of services and supports designed to help families with children who have developmental delays. While all children grow and change at their own rate, some children can experience delays in their development. Sometimes this can be cause for concern. Early Intervention provides supports and services to young children and their families/caregivers to help the child grow and develop.

SERVICES

Early Intervention (EI) services may include: information on how children develop skills and abilities, education and support for the parent/caregiver, and specific developmental therapies designed for their child. EI provides ideas for how a family can help their child at home as well as in the community, and is individualized to enhance both growth and learning.

ELIGIBILITY

Infants, toddlers, and preschool children who have special needs due to a developmental delay or diagnosis are eligible to receive Early Intervention services. Lincoln Intermediate #12 serves children who are ages 3-5.

AGE RANGE

Age 0-3 (EI), 3-5 (LIU Preschool)

FEE

Early Intervention (EI) supports and services are provided at no cost to families.

OFFICE HOURS Monday-Friday 8:00 a.m. – 4:00 p.m.

EDUCATIONAL PROGRAM

To help Adams County youth gain the education, experience, and skills they need to be successful in the workplace and the community.

SERVICES

The Youth Employment Program offers services under the guidelines of the Workforce Development Act. Youth are referred through community partners, family, friends, and schools. Placement in the program is based on eligibility. The program is geared for youth with barriers such as being unemployed or underemployed, have no high school diploma or GED, are pregnant or parenting, have criminal offenses, have a mental or physical disability, or lack workplace skills. The program begins with a general assessment and continues with individually defined short and long term goals. Youth receive support every step of the way to job placement, including follow-up services for 12 months.

ELIGIBILITY

Youth must be age 16 through 24, be in 11th or 12th grade, or be out of school (graduate or dropout)

SERVICES

Olivia's House is an organization of caregiving professionals and volunteers committed to supporting grieving children. Its purpose is to facilitate healing through grief and loss education.

Peer Support Programs: Educational peer support programs for children of all ages and their families are provided after the death of a loved one.

Professional Adjunct Services: Referrals provide support for losses that involve trauma or unexpected death when peer support education is not adequate. Assistance to services include: Play Therapy; Art Therapy, Music Therapy; Equine Therapy (EGALA non-riding method); Cognitive Behavioral Therapy

Lending Library: The lending library is a valuable tool offering thousands of resources related to grief, loss and death for all ages.

Pre-Death Support: When death is imminent, Olivia's House offers support to children and families in explaining terminal illness, infant loss, preparation for funerals and rituals, and when necessary, death notification and explanation for children.

Pet Loss Services: We offer age-appropriate support for the death of a pet.

SERVICES

We are a human service agency that provides an opportunity for individuals with disabilities and their families to create and enjoy happy and meaningful lives in their communities. We provide a range of services for individuals, including residential group homes, day program services (in Chambersburg only), and Home and Community Habilitation services.

Residential Services: We provide group homes for individuals with disabilities. The homes are staffed 24 hours a day, 7 days a week. Supporters in the homes provide assistance with all daily living tasks, including bathing, oral care, and medication administration. Our staff provide home cooked healthy meals for the individuals and provide them with activities to participate in, both at home and the community. They are trained on the individuals they are supporting, as well as other relevant trainings, including CPR and First Aid. Managers are regularly available to assist individuals and family members with any questions they have, and monthly and quarterly meetings occur to ensure the individuals' supports teams are kept aware of everything.

Day Program Services: Person Directed Supports has a day program in the Chambersburg area. The hours are Monday through Friday, 9 a.m. until 3 p.m. Individuals attending the day program are given the opportunity to participate in a variety of activities in the community. In the day program building, there is a computer room and sensory room, as well as a variety of activities to engage in. Individuals enjoy working on the Wii, participating in music therapy, working on craft projects, and participating in board games. Supporters provide any assistance the individuals need.

Home and Community Habilitation Services: Person Directed Supports provides services to individuals with disabilities in the community between the hours of 9 a.m. and 3 p.m., Monday through Friday. Individuals that participate in this program enjoy spending time in the community. They volunteer and work at a variety of businesses, look for employment, participate in educational activities, and work to increase their independence.

<u>OFFICE HOURS</u>	Monday-Friday 8:00 a.m. – 4:30 p.m.	

SERVICES

Shadowfax strives to support each individual in achieving their personal goals/dreams. Person Centered Planning and Self Determination are tools that are used to help determine what each person wants and needs. Daytime opportunities will vary depending upon the choice each person makes. Several distinct program choices are available.

Our Life Skills Program provides a high level of support for people who have more intensive staffing needs. The program offers a variety of the following options: recreational activities; sensory stimulation; learning daily living skills; exercise; cognitive skill developmental/retention; volunteerism at nursing homes, churches, soup kitchens, etc.; and community outings. The program also includes a component for people who need more intense help with their daily living skills. We work with folks who need total assistance with toileting, feeding, and positioning. Our staff are insulin trained, are certified to administer medications and can also feed those who utilize a feeding tube for their meals.

Shadowfax offers pre-vocational training in two locations in York. The program is designed to provide work experience and training in an industrial setting to individuals who have disabilities. Shadowfax is an outsourcing partner with many local businesses. The program encourages the development of industry compatible attitudes, quality control skills, productivity, and work tolerance consistent with the employee's interests and abilities. Employment Specialists provide assistance in developing a resume, completing job applications, mastering interviewing skills, and learning appropriate social skills for the work environment. Placement services are available for people who need assistance in finding a job. Once employed, follow-up services are provided to ensure the job experience is successful for the person and the employer. With the supervision of Shadowfax staff, individuals gain experience and familiarity with the competitive job market.

All people enjoy the right to gain employment of their choosing. Shadowfax is committed to providing persons with disabilities the choice and opportunity to work in the competitive job market. Our goal is to help each person find a job that matches their interests and abilities. Employment Specialists help with every aspect of job development in order for a person to find and keep a job. Once a person's job preferences and skills are explored and assessed Employment Specialists assist him/her in the job search and interview process. After being hired, Employment Specialists stay on-site with the person to ensure they learn the job. The individual will continue to be supported until he/she is working as independently as possible and both employer and employee are satisfied with the working relationship. Sometimes people will benefit most from a long term job coach. A coach is available to provide any level of support that is needed.

ELIGIBILITY

Any individual who has a disability

Strawberry Hill Nature Preserve

ADDRESS 1537 Mount Hope Road, Fairfield, PA

TELEPHONE (717) 642-5840

WEBSITE www.strawberryhill.org

HOURS Visitors are welcome on trails from dawn to dusk
Nature Center from 10:00 a.m. to 5:00 p.m. Weekdays
10:00 a.m. to 2:00 p.m. Saturdays

SERVICES

Strawberry Hill Nature Preserve's mission for the last 25 years has been to protect a high-quality, cold water stream system (the Swamp Creek Watershed) and to connect our surrounding community with the natural world by teaching, inspiring, and promoting stewardship of the environment.

Strawberry Hill is a non-profit conservation organization and education center located on 600 acres in Hamiltonban Township, 3 miles north of Fairfield in Adams County, PA. The Preserve is open to the public and annually we welcome more than 10,000 visitors, including pre-school to college students, hikers, birders, families, and scout groups.

Strawberry Hill offers ten miles of hiking trails, including a trail that is handicap accessible for wheelchairs; a nature center that hosts both live and mounted animals, and a diverse selection of family, children's and adult educational programs.

Educational Programs: As the only nonprofit environmental education center in Adams County, Strawberry Hill offers a variety of programs for children and adults, as well as schools and community groups throughout the year, both on and off site. Experienced teacher-naturalists lead guided hikes and innovative nature programs that provide hands-on discovery activities.

System of Care York County

TELEPHONE York County Human Services (717) 771-9900

WEBSITE www.pasocpartnership.org

SERVICES

If you feel overwhelmed with your own personal struggles in managing complex behavioral health needs of your child and family and don't have the personal time to get involved with the SOC, there are options available that can help you better manage, coordinate and cope with life's demands. Ask your case manager about Family Group Decision Making and/or Joint Planning Team to see if you qualify for assistance.

SOC Partnership Organizations Include:

York County Human Services; Juvenile Probation Department; Office of Children, Youth & Families; York/Adams MH-IDD Program; Service Access & Management-Joint Planning Team; Child and Adolescent Service System Program; York County Youth Development Center; York Adams Drug & Alcohol Commission; Family Group Decision Making; LIU; MOMSTELL & more!

Do you have personal experience with programs and services in any of these youth-serving systems?

- . Child Welfare
- . Drug & Alcohol
- . Juvenile Justice
- . Mental Health

If you answered yes, then consider sharing your expertise. We are looking for young adults (ages 16 to 26) and families who have current or previous involvement in services to join the System of Care (SOC) Governance Council and/or System of Care Leadership Team.

FEE

The PA System of Care Partnership is funded through a cooperative agreement with the Substance Abuse & Mental Health Services Administration (SAMHSA).
